Arlington Independent School District Board of Trustees Communication

Meeting Date:	March 2, 2023	Consent Item
Subject:	Donations	

Purpose:

To provide the Board of Trustees the opportunity to approve donations made to the District.

Background:

The District receives donations from multiple individuals and organizations to various campuses and departments throughout the AISD. Most are cash donations, however, sometimes consumable supplies, specific equipment or other educational supplies are donated. Each donation is vetted through a process to ensure the donation fits within the policies, procedures and guidelines of the District.

According to Board policy CDC (LOCAL), any gift that the potential donor has expressly made conditional upon the District's use for a specified purpose, or any gift of real property, shall require Board approval. It is recommended that the donations listed on the attached document be approved for the intended campuses or departments.

Recommendation:

The Administration recommends approval of donations as presented.

RE: BID 23-34 Transportation Parts & Supplies for Inventory & Catalog

Bid Number **23-34** is an annual contract for transportation supplies for inventory. In addition to the inventory line items, the bid asked for a discount from the vendor's catalog, shelf price or price list. This will allow the District to purchase items or services which are not identified at this time.

This bid is awarded by line item and as all-or-none awards by group. Items in this bid were awarded according to the Texas Education Code, Chapter 44.031(b), as best value to the District.

It is recommended that the line items and all-or-none sections meeting specifications be awarded as highlighted in the tabulation and that all vendors meeting specifications submitting catalog bids be approved.

RE: **BID 23-35 Custodial Supplies for Inventory & Catalog**

Bid Number **23-35** is an annual contract for custodial supplies for inventory. In addition to the inventory line items, the bid asked for a discount from the vendor's catalog, price list or shelf price. This will allow the District to purchase items which are not identified at this time. Items marked with an asterisk were marked "not as specified" due incorrect brand substitution.

It is recommended that the low bids meeting specifications be awarded by line item, unless noted as all-or-none awards. For all-or-none sections, it is recommended that the lowest overall bid meeting specification and providing all items be awarded. It is also recommended that all vendors meeting specifications submitting catalog bids be approved.

ACTION:

A. Consider Missed School Days Waiver Due to Inclement Weather

Assistant Superintendent of Administration Dr. Michael Hill presented information on the proposed missed school days waiver. The AISD was closed due to inclement weather January 31 through February 3, 2023. There are enough minutes built into the current school calendar for students to cover two days. This item, if approved by the Board, is to request a waiver from the Texas Education Agenda for the other two days. If approved, students would not have to make up any missed days and there would be no change to the end of the 2022-2023 school calendar for students. For staff, May 30 and 31, 2023 are make-up days in the current school calendar. The two additional days for staff could be addressed by a Board resolution. Administration recommended the Board approve the submission of the missed school days waiver to the Texas Education Agency for consideration.

Motion by Sarah McMurrough, second by Dr. Aaron Reich, to approve the submission of the missed schools days waiver to the Texas Education Agency.

B. Consider Resolution Closing to Grant Paid Leave for Employees Not Able to Work Due to Inclement Weather

Supt. Cavazos reported that as Dr. Hill mentioned, two days were built into the school calendar. This waiver is to address the other two days.

Motion by Dr. Aaron Reich, second by David Wilbanks, to approve the following resolution:

A Resolution to Grant Paid Leave for Employees Not Able to Work Due to Inclement Weather

WHEREAS, on January 31, February 1, 2, and 3, 2023, Arlington Independent School District (“Arlington ISD”), and much of the DFW Metroplex, closed its campuses, facilities, and administrative offices in response to severe winter weather in Texas for the safety of all students and staff; and

WHEREAS, the Commissioner of Education has stated that Texas Education Code Section 21.401(c) represents a legislative determination that a public purpose exists to continue educators’ salaries during times of emergencies; and

WHEREAS, all district employees—contractual and at-will—contribute to the achievement of the educational mission of Arlington ISD.

THEREFORE, BE IT RESOLVED BY THE ARLINGTON ISD BOARD OF TRUSTEES THAT:

1. Payment is authorized for two (2) days for all regular employees, including full-time bridge substitutes and substitutes in long term assignments, in all campus facilities, support facilities and administrative offices on January 31, February 1, 2, and 3, 2023, who were unable to participate in scheduled work due to severe weather district closure, with two (2) days of work time that can be made up with assigned makeup days or accrued leave. Daily substitutes, temporary employees and contractors are not eligible for the benefits of this resolution.

2. The Board of Trustees hereby (a) determines that these payments serve a public purpose, (b) retains sufficient control over the expenditures to ensure a public purpose is served, and (c) is confident the District will receive a return benefit.

Regarding Item H, Dr. Reich reported that this agreement between the AISD, the City of Arlington and VIA for student transportation was a renewal and not new information. He, however, thought it was important to highlight this example of an innovative approach to meeting the student needs in AISD.

Dr. Cavazos reported that this partnership with the City was formed due to a need for student transportation.

Dr. Hill reported that use had increased tremendously from prior years with over 6,000 rides this fall. Student riders include the collegiate high schools and students in the families in transition program.

C. Demographic Update

Mrs. Moss introduced Zonda Education consultant Rocky Garner. This demographic report is an integral part of the budget development process.

Mr. Gardner presented a demographic report. The reported included both written findings and key illustrative exhibits such as regional economic conditions, enrollment patterns, housing data, Arlington ISD comparisons, and enrollment projections.

Key takeaways for AISD:

- AISD enrollment approximately 56,200
- Enrollment grew primarily through introduction of universal prekindergarten
- Universal prekindergarten will continue to have positive impact and also likely help retain students through kindergarten
- Large exiting classes may have caused enrollment to decline for several years.

SUPERINTENDENT'S REPORT:

Superintendent Cavazos reported that students at Larson Elementary and Barnett Junior High got a great surprise before the winter weather as Cade Cunningham visited both schools. If the name sounds familiar, it is because Cunningham was the No. 1 overall pick in the 2021 NBA Draft. He also just happened to attend both Larson and Barnett and his freshman and sophomore years at Bowie High School. In addition to visiting with students at both schools, Cunningham debuted Cade's Closets, which were made possible by a \$10,000 donation from Cunningham to each school. The closets will be supplied with toiletries, hygiene products and non-perishable snacks for students.

Another visit for AISD students came at the Center for Visual and Performing Arts as Darian Sanders, who plays Simba in Disney's national tour of The Lion King, spoke with students in Courtney Mills' modern contemporary dance class. While Sanders is not an Arlington ISD product, he has a connection to the district because Mills taught him back in 2005 when he was in the marching band. Sanders also spoke to the students about perseverance and sang a couple of songs.

Dr. Cavazos reminded everyone that the Arlington ISD Education Foundation was the recipient of one of the Texas Rangers Legacy grants last year. That \$100,000 grant was earmarked for pre-K outdoor equipment for our district. That equipment got its first use at Peach Elementary as the pre-K students got a sneak peak of the hula-hoops, basketball equipment, baseball equipment and everything else they will be using outdoors this spring. Every elementary in the district is expected to have the equipment around Spring Break. Thanks to the Rangers Foundation for the equipment and former Rangers Steve Buechele for coming to play with the students.

Dr. Cavazos commended everyone in our school leadership department for their work in our first-ever Puttin' On the Glitz event at the CVPA. More than 700 teacher leaders from the district were honored in this red-carpet event. Teachers were fed and then commended for their work as the district strives to empower our teacher leaders who make a difference on our campuses daily.

Finally, Lamar High School is a cannot-lose situation in Sunday's Super Bowl. The Philadelphia Eagles and Kansas City Chiefs have former Lamar football players on their rosters. The Eagles have rookie linebacker Kyron Johnson and the Chiefs' No. 3 quarterback is Shane Buechele, the son of Steve Buechele. While it is great for Lamar, it is also great for the district as it means we will have a Super Bowl champion on our roster for the second-straight year. Last year, two members of the Los Angeles Rams were Arlington ISD products.

SCHOOL BOARD'S REPORT:

Mrs. McMurrrough reported attending the kindness campaign kickoff. She highlighted music teacher Mr. Rosales from Corey Academy of for composing a song about kindness. Mrs. McMurrrough also reported that this week is national school counselor and recognized all the school counselors. School

counselors touch the lives of students, and Mrs. McMurrrough was impacted by an AISD counselor as a child. She appreciates her son's counselor at Little Elementary, Ms. Redmon.

President Fowler agreed with Mrs. McMurrrough regarding school counselors, they are the best.

Mr. Hibbs thanked Dr. Brown for being an inspiration and wished her God speed in her new endeavor. He noted that last month was Board appreciation and this month he wanted to share that appreciation back to staff. Staff like Mrs. Moss, Dr. Wurtz, Dr. Hill, the human resources department staff make the district run well, especially through the last week. Regarding the recent announcement by Dr. Cavazos, he has been incredible to the AISD and it shows through the leadership team.

Mrs. Mays reported that February was Black history month. Over the last years, she shared her own family history, as well as firsts and contributions by others, to bring awareness of how the past improves the future. She invited all to go to their child's school website and look for Black history programs and events. If there is not an event at one school, she encouraged everyone to find another school with an event and enjoy. Mrs. Mays shared a quote from Michelle Obama, "One of the lessons that I grew up with was to always stay true to yourself and never let what somebody says distract you from your goals."

President Fowler recognized Dr. Tracie Brown and presented her with flowers as she is moving from AISD to a new opportunity. This is Dr. Brown's last board meeting. President Fowler thanked her for the opportunity to work with her and to see the achievements on behalf of AISD students, specifically her commitment to develop leaders.

- B. Community Engaged for Excellence Award of Appreciation

Executive Director of Engagement, Equity and Access Mr. Aaron Perales reported that EECU was the recipient of the recipient of the Community Engaged for Excellence Award of Appreciation. EECU Director of Schools and Community Relations Mr. Jerry Cantu and Business Development Specialist Ms. Stephanie Curtis were present to accept the award. EECU is a not-for-profit credit union with a history that began in 1934 in the Fort Worth ISD administration building as a credit union for teachers and administrators. EECU believes that helping their neighbors across their many communities is a prerequisite for being a premier financial institution. In supporting AISD, EECU sponsors the Arlington ISD teacher and department employees of the month award program. The program recognizes AISD

teachers and staff for their hard work, dedication, and inspiration to students. Each month, EECU provides \$50 (in \$2 bills) to elementary, junior high, high school and department level employees of the month. The recipients are always surprised and excited to see Dr. Cavazos and the team visit them with the recognition. For the past twenty plus years, EECU has supported The Kiwanis Woodrow Counts teacher-of-the-year award, which provides \$500 to districtwide elementary, junior high and high school level teachers of the year. An additional \$100 is awarded to nine teacher of the year runners up. This recognition is an event that the AISD community looks forward to every year. In supporting students and their dreams of a higher education, each year EECU awards up to eight \$5,000 scholarships for students in the Metroplex who are pursuing a four-year bachelor's degree. Awards are disbursed in \$1,250 annual increments as long as the student continues to meet eligibility requirements. This scholarship provides a boost to students as they progress through their college career. In supporting AISD teachers and students, EECU is a collaborative partner that is always open to exploring engagement opportunities with our school district. It is an honor to recognize EECU.

Assistant Superintendent of Research and Accountability Dr. Natalie Lopez presented a progress update pertaining to student outcomes on the middle-of-year reading and mathematics screeners. Screeners have the ability to identify a student's readiness for on-grade level instructions, inform a teacher's next steps in teaching and determine a student's placement for small group instruction.

SUPERINTENDENT'S REPORT:

Superintendent Cavazos congratulated Ashworth Elementary student Richmond Agyei and Shackelford Junior High student Terrance Williams for winning the area seven and area eight spelling bees. Both will now advance to the regional bee on March 7, 2023 at TCU. Each of the winners topped a field that included all our elementary and junior high schools. Richmond won with the word *niçoise* and Terrance, who won the area eight bee last year as well, won with *arsenic*. Dr. Cavazos also congratulated everyone who competed at the bees.

On Friday, February 10, 2023, Dr. Cavazos, and several of the board members had a chance to go to the Webb Elementary celebration of the new campus opening. It was a huge event, and he thanked everyone involved for making it such a success. Attendees included Arlington Mayor Jim Ross, the Sam Houston High Mariachi group, the Lamar High cheerleaders, and a live wallaby. In addition to the Webb Wallaby mascot, there was a real wallaby on stage. Dr. Cavazos thanked Webb Elementary Principal Evelyn Navarro-Gaspar for spearheading the successful event.

Dr. Cavazos encouraged everyone to follow the *Looped In* blog this month as in celebration of career and technical education month. The career and technical education programs play a huge part in AISD. The courses offered provide technical skills, academic skills and employability skills that give students a head start after graduation. AISD's goal is to prepare every student for success after graduation and the career and technical education programs are pivotal in that.

The "By Students 4 Students" program, is adding a familiar name from the community to the program. Aziz Kobty, who owns Prince Lebanese Grill and is an Arlington ISD product, is working with the food and nutrition services department to create new menu items for campuses this fall. Right now, some students are lucky as they are participating in taste tests of his wings recipe. Those should be on the menu along with a chicken and rice recipe. Prince Lebanese is the first locally owned business to be part of the program, but our executive director of food and nutrition services David Lewis said more are on the way.

Superintendent Cavazos reported that Arlington ISD product Preston Nguyen, who was an intern for Aziz at Prince Lebanese Grill, is once again on the national stage. Preston is a contestant on Next Level Chef, which debuted after the Super Bowl. Dr. Cavazos was happy to share that after the first episode, Preston is still in the competition.

SCHOOL BOARD'S REPORT:

Dr. Reich reported that he believed the first ever AISD graduate received a Superbowl ring, Shane Buechele, playing for the Kansas City Chiefs. He also noted that the AISD had a player on the opposing team, Kyron Johnson, playing for the Philadelphia Eagles, and congratulated them both. Dr. Reich said that as life-long learners, in honor of Black history, everyone should learn some more by googling Black educator leaders. He was amazed and humbled by some of the stories. He remembers from when he was in elementary school, the teacher talked about such leaders, and he was instructed to go find an encyclopedia and write a report. To this day, Dr. Reich remembers those names and their stories, having a life-long impact on education. He noted that at the historically Black colleges and universities the approach and standards were the legacy of some amazing people.

Secretary McMurrrough had no items to report.
