

ARLINGTON ISD

New Junior High School

Schematic Design
April 07, 2022

CORGAN 

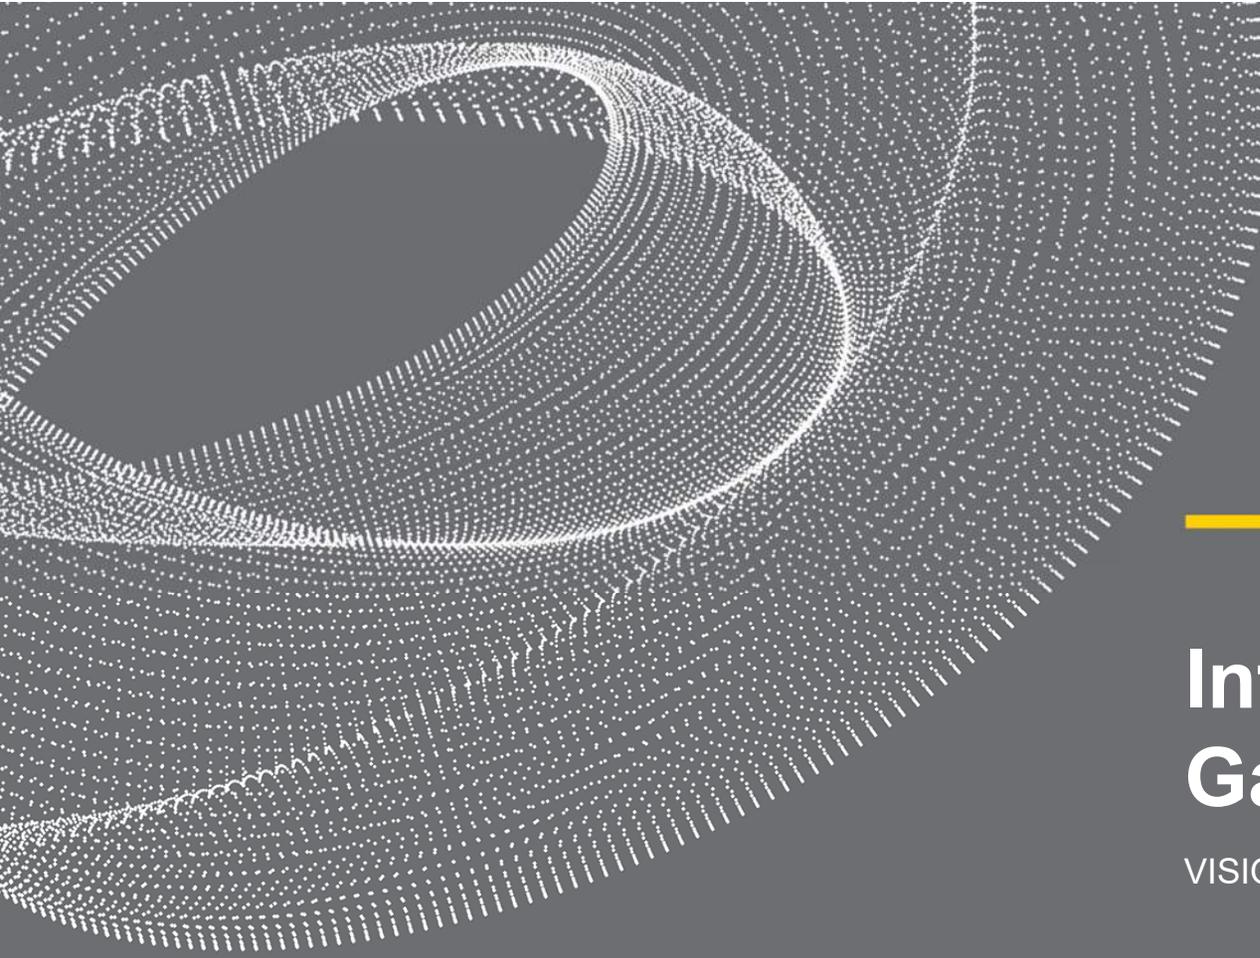

Overall Schedule

- Early site package to allow 6-7 months for permit review process
- Align start of construction schedule with completion of Thornton Elementary School
- Demolition of existing Knox Elementary School within same construction package

- Demolition packages of Existing Roark Elementary School and Existing Carter JHS to be released at future dates

Project Schedule

Information Gathering

VISIONING

STORYBOARD EXERCISE

My favorite place in the school is the Library and Music Class because of the good energy and a space to feel safe.

I wish our campus had bigger hallways with windows to see nature, and more room.

The future Carter Junior High will be the place to be if it is a positive and welcoming environment that provides safety.

In the new school, Carter Junior High School students will feel excited and happy because of the open and comfortable areas for interaction and the access to the outdoors.

Overview: Culture, Campus and Community Connections

WHEN YOUR STUDENTS WALK INTO THE NEW CAMPUS, HOW DO YOU WANT THEM TO FEEL?

HOW CAN THE FACILITY PROMOTE EMOTIONAL, PHYSICAL AND MENTAL WELLNESS, AND HELP THE STUDENTS' TRANSITIONS OF LEAVING ELEMENTARY SCHOOL AND ENTERING HIGH SCHOOL?

POSITIVE IMPACT

Restore and Reset, Inviting, Faculty Wellness

TRAITS FOR SUCCESS

Dedicated, Respectful, Responsibility,
Hardworking Expectations

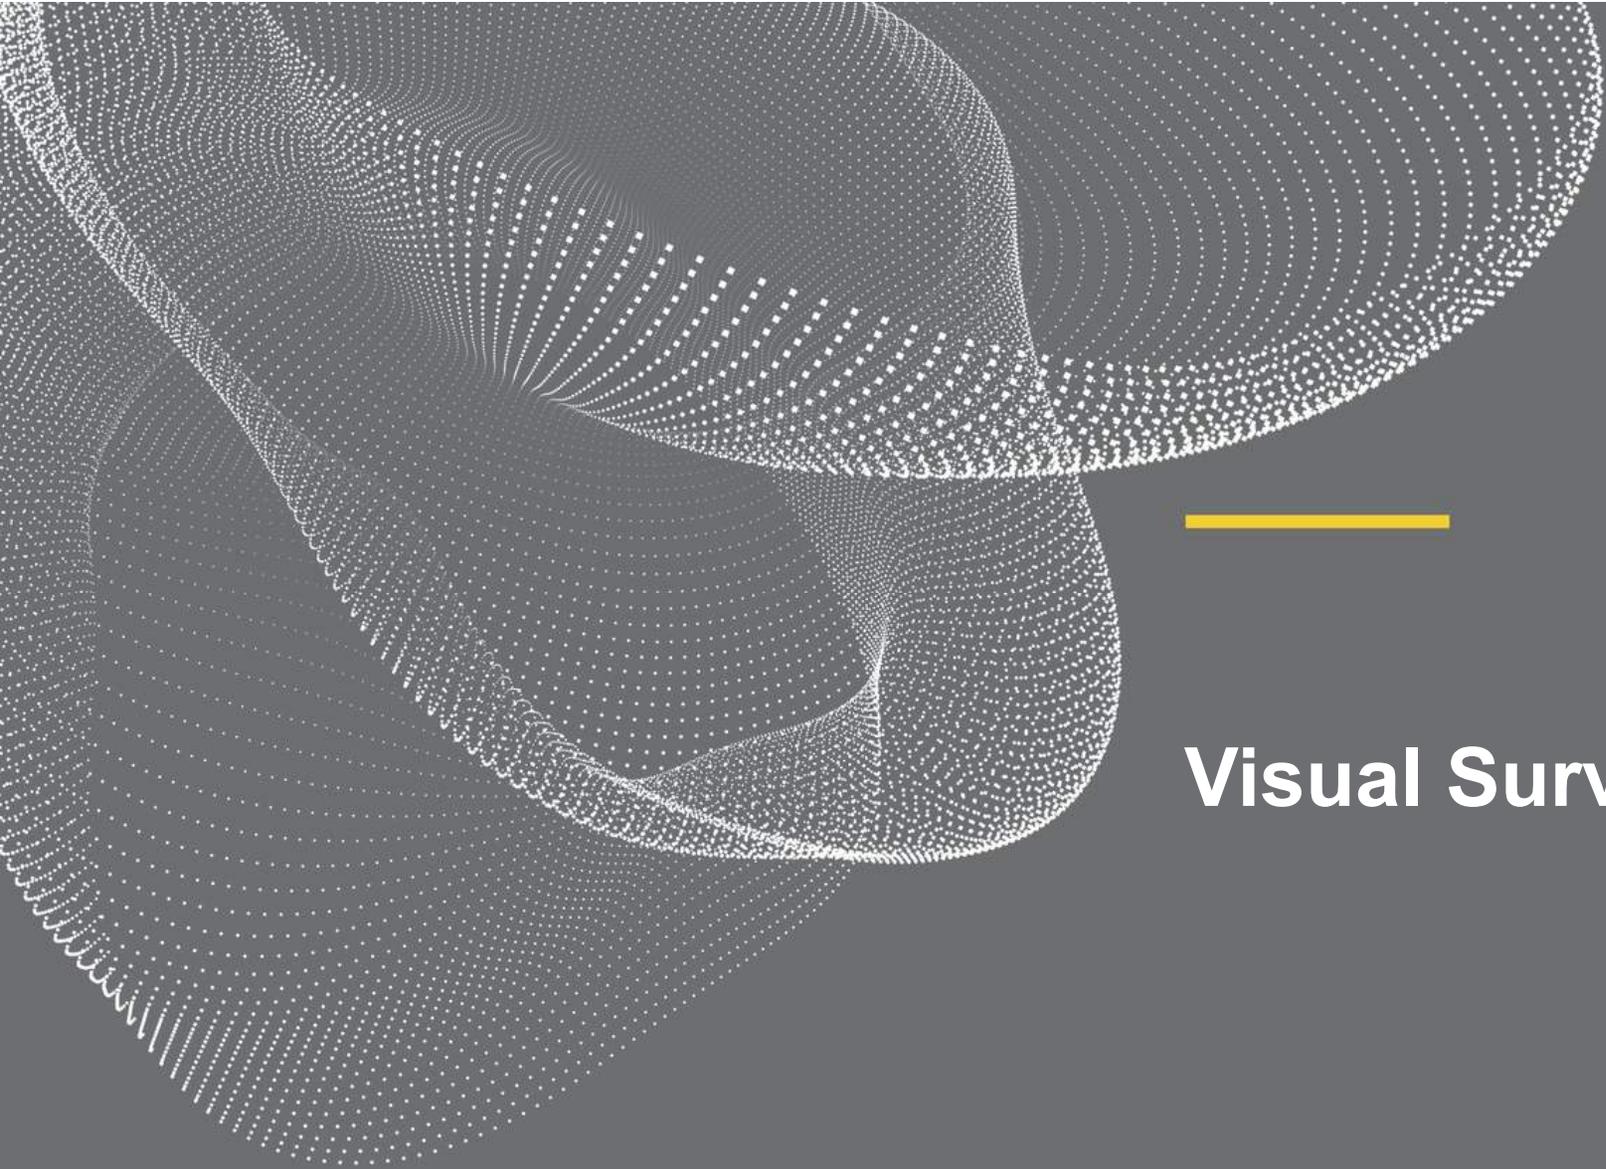

FUN

Colorful, Social Interactions,
Designed with Purpose
