- Current Dysfunctional Progression to Main Entry
- New Presence with Parking from South Cooper Street

Community

- Maintain Strong Culture Rooted in The Community
- Pride

Expression of the Arts

- Infuse Art into Non-Art Spaces

KEY PROJECT GOALS

Resolved Through The Program

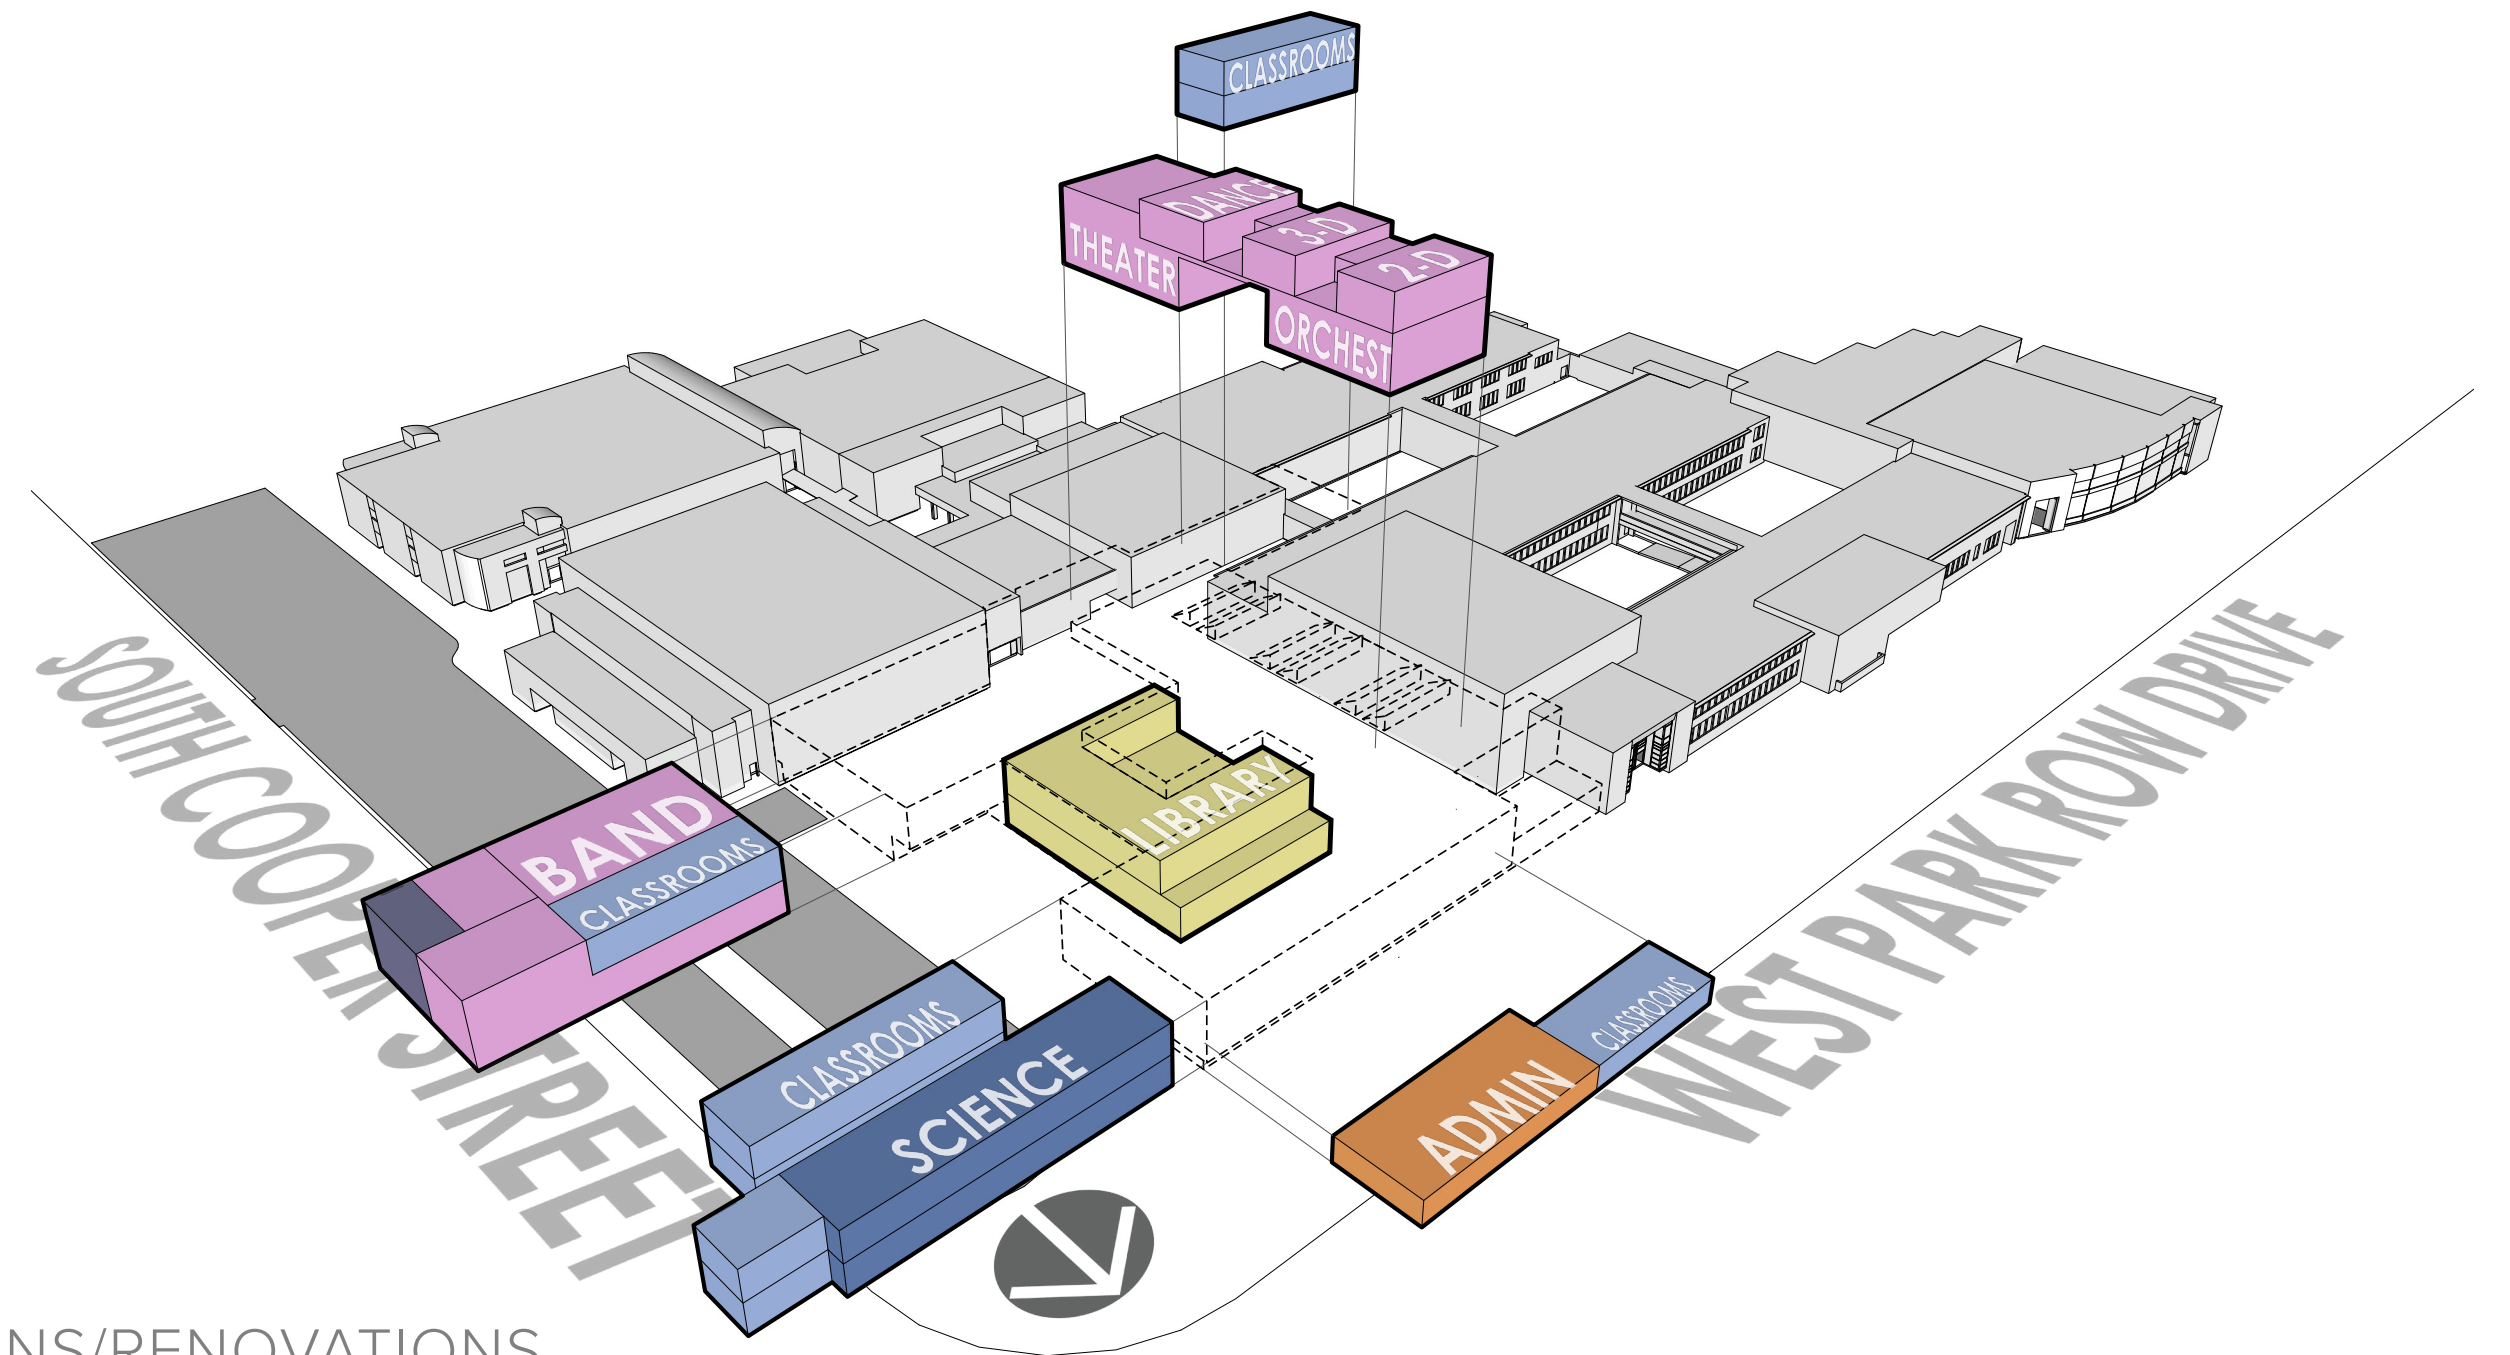

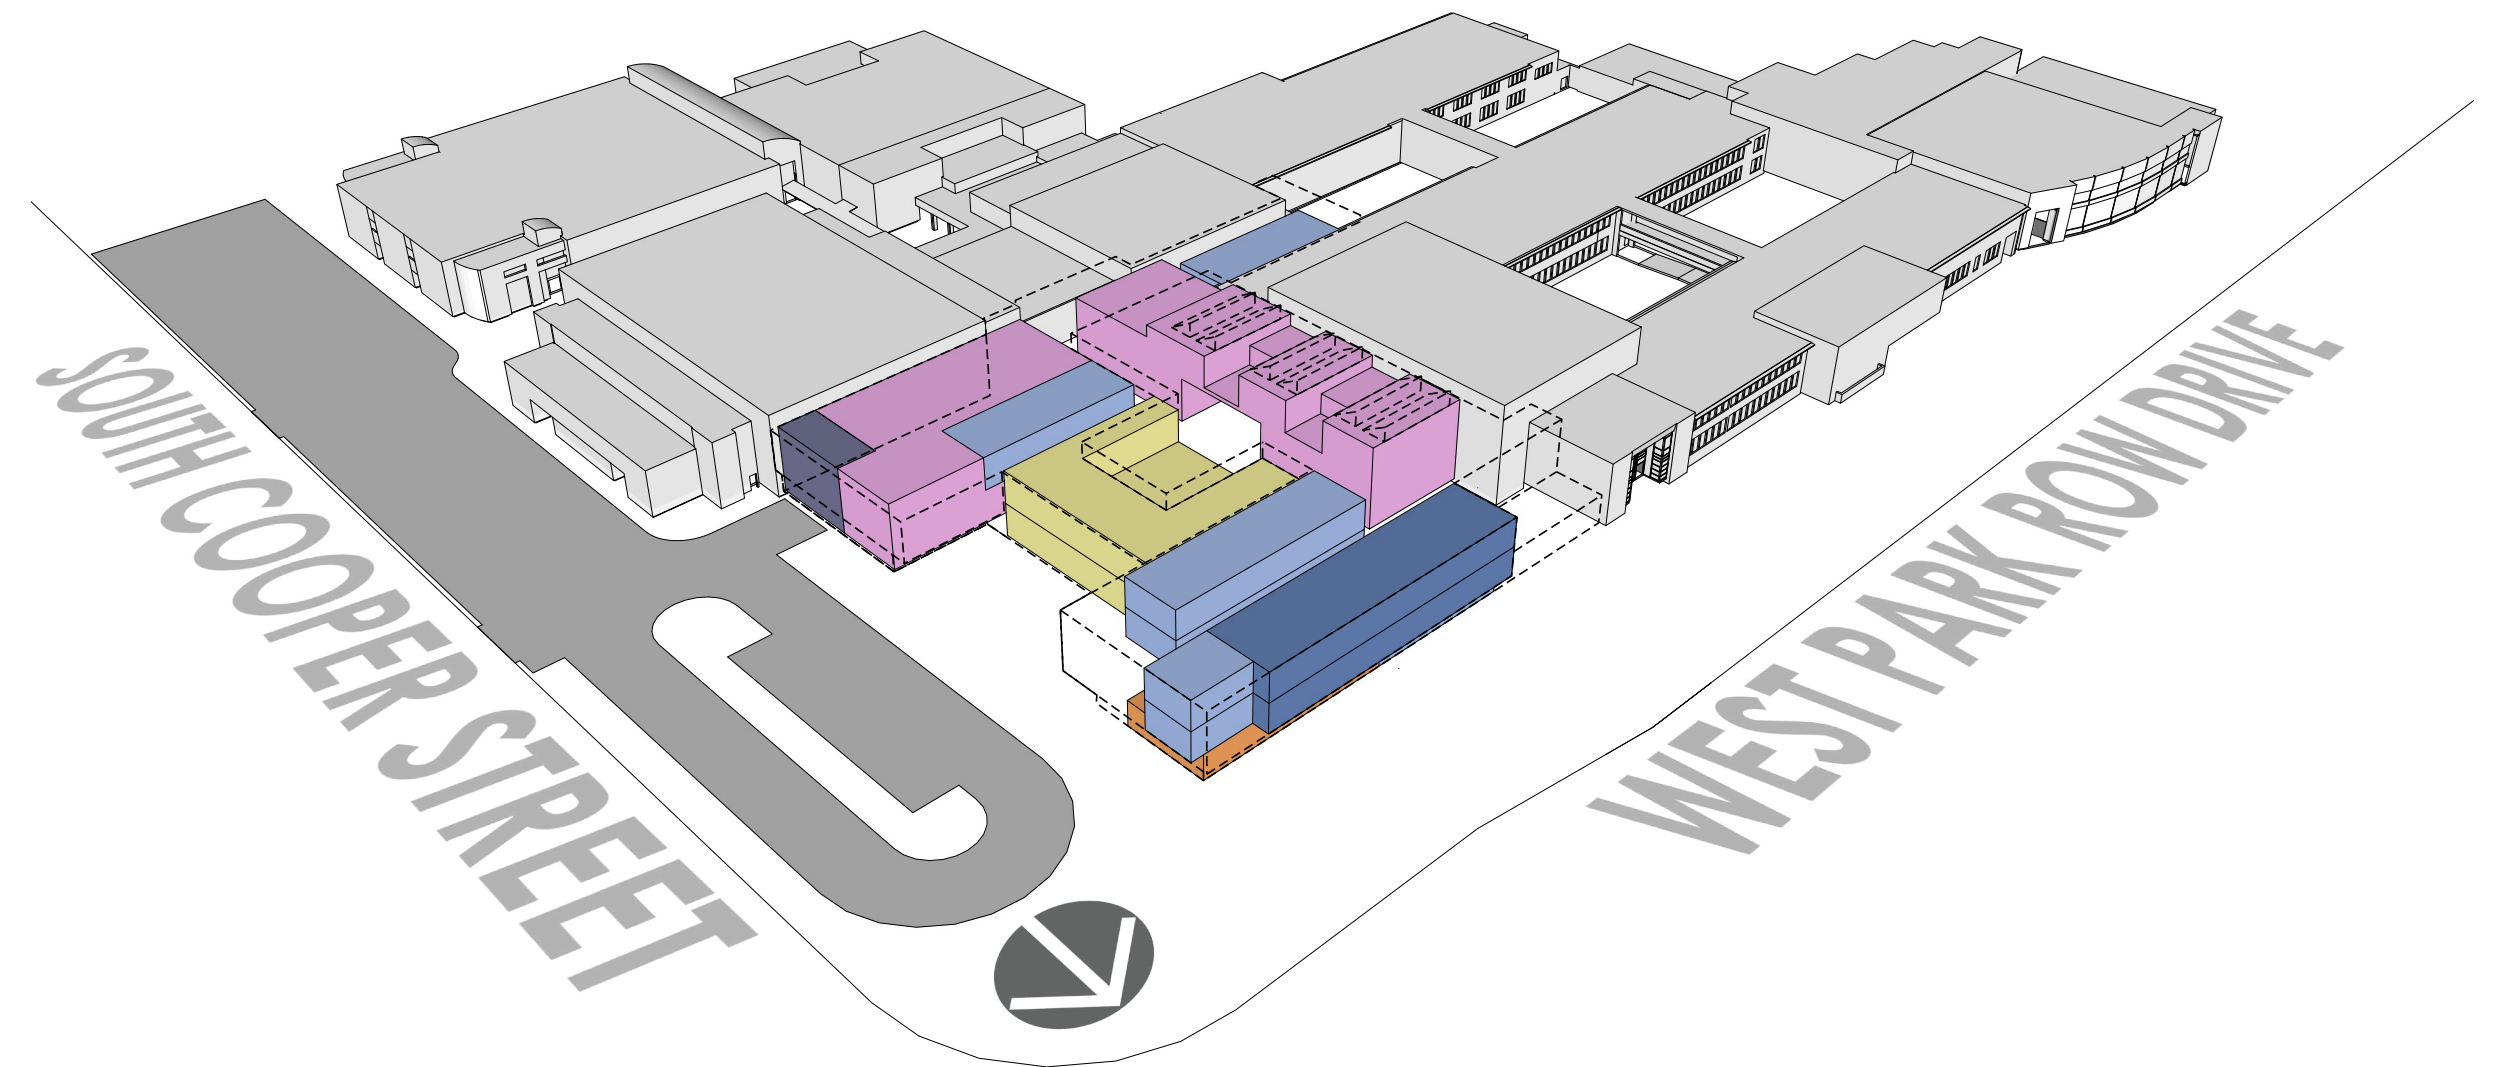

- Seamless Fine Arts and Academic Addition with Collegiate Feel
- Updated Library to Meet Current Standards and Future Needs
- Accessible Spaces for All

Expressed Desires

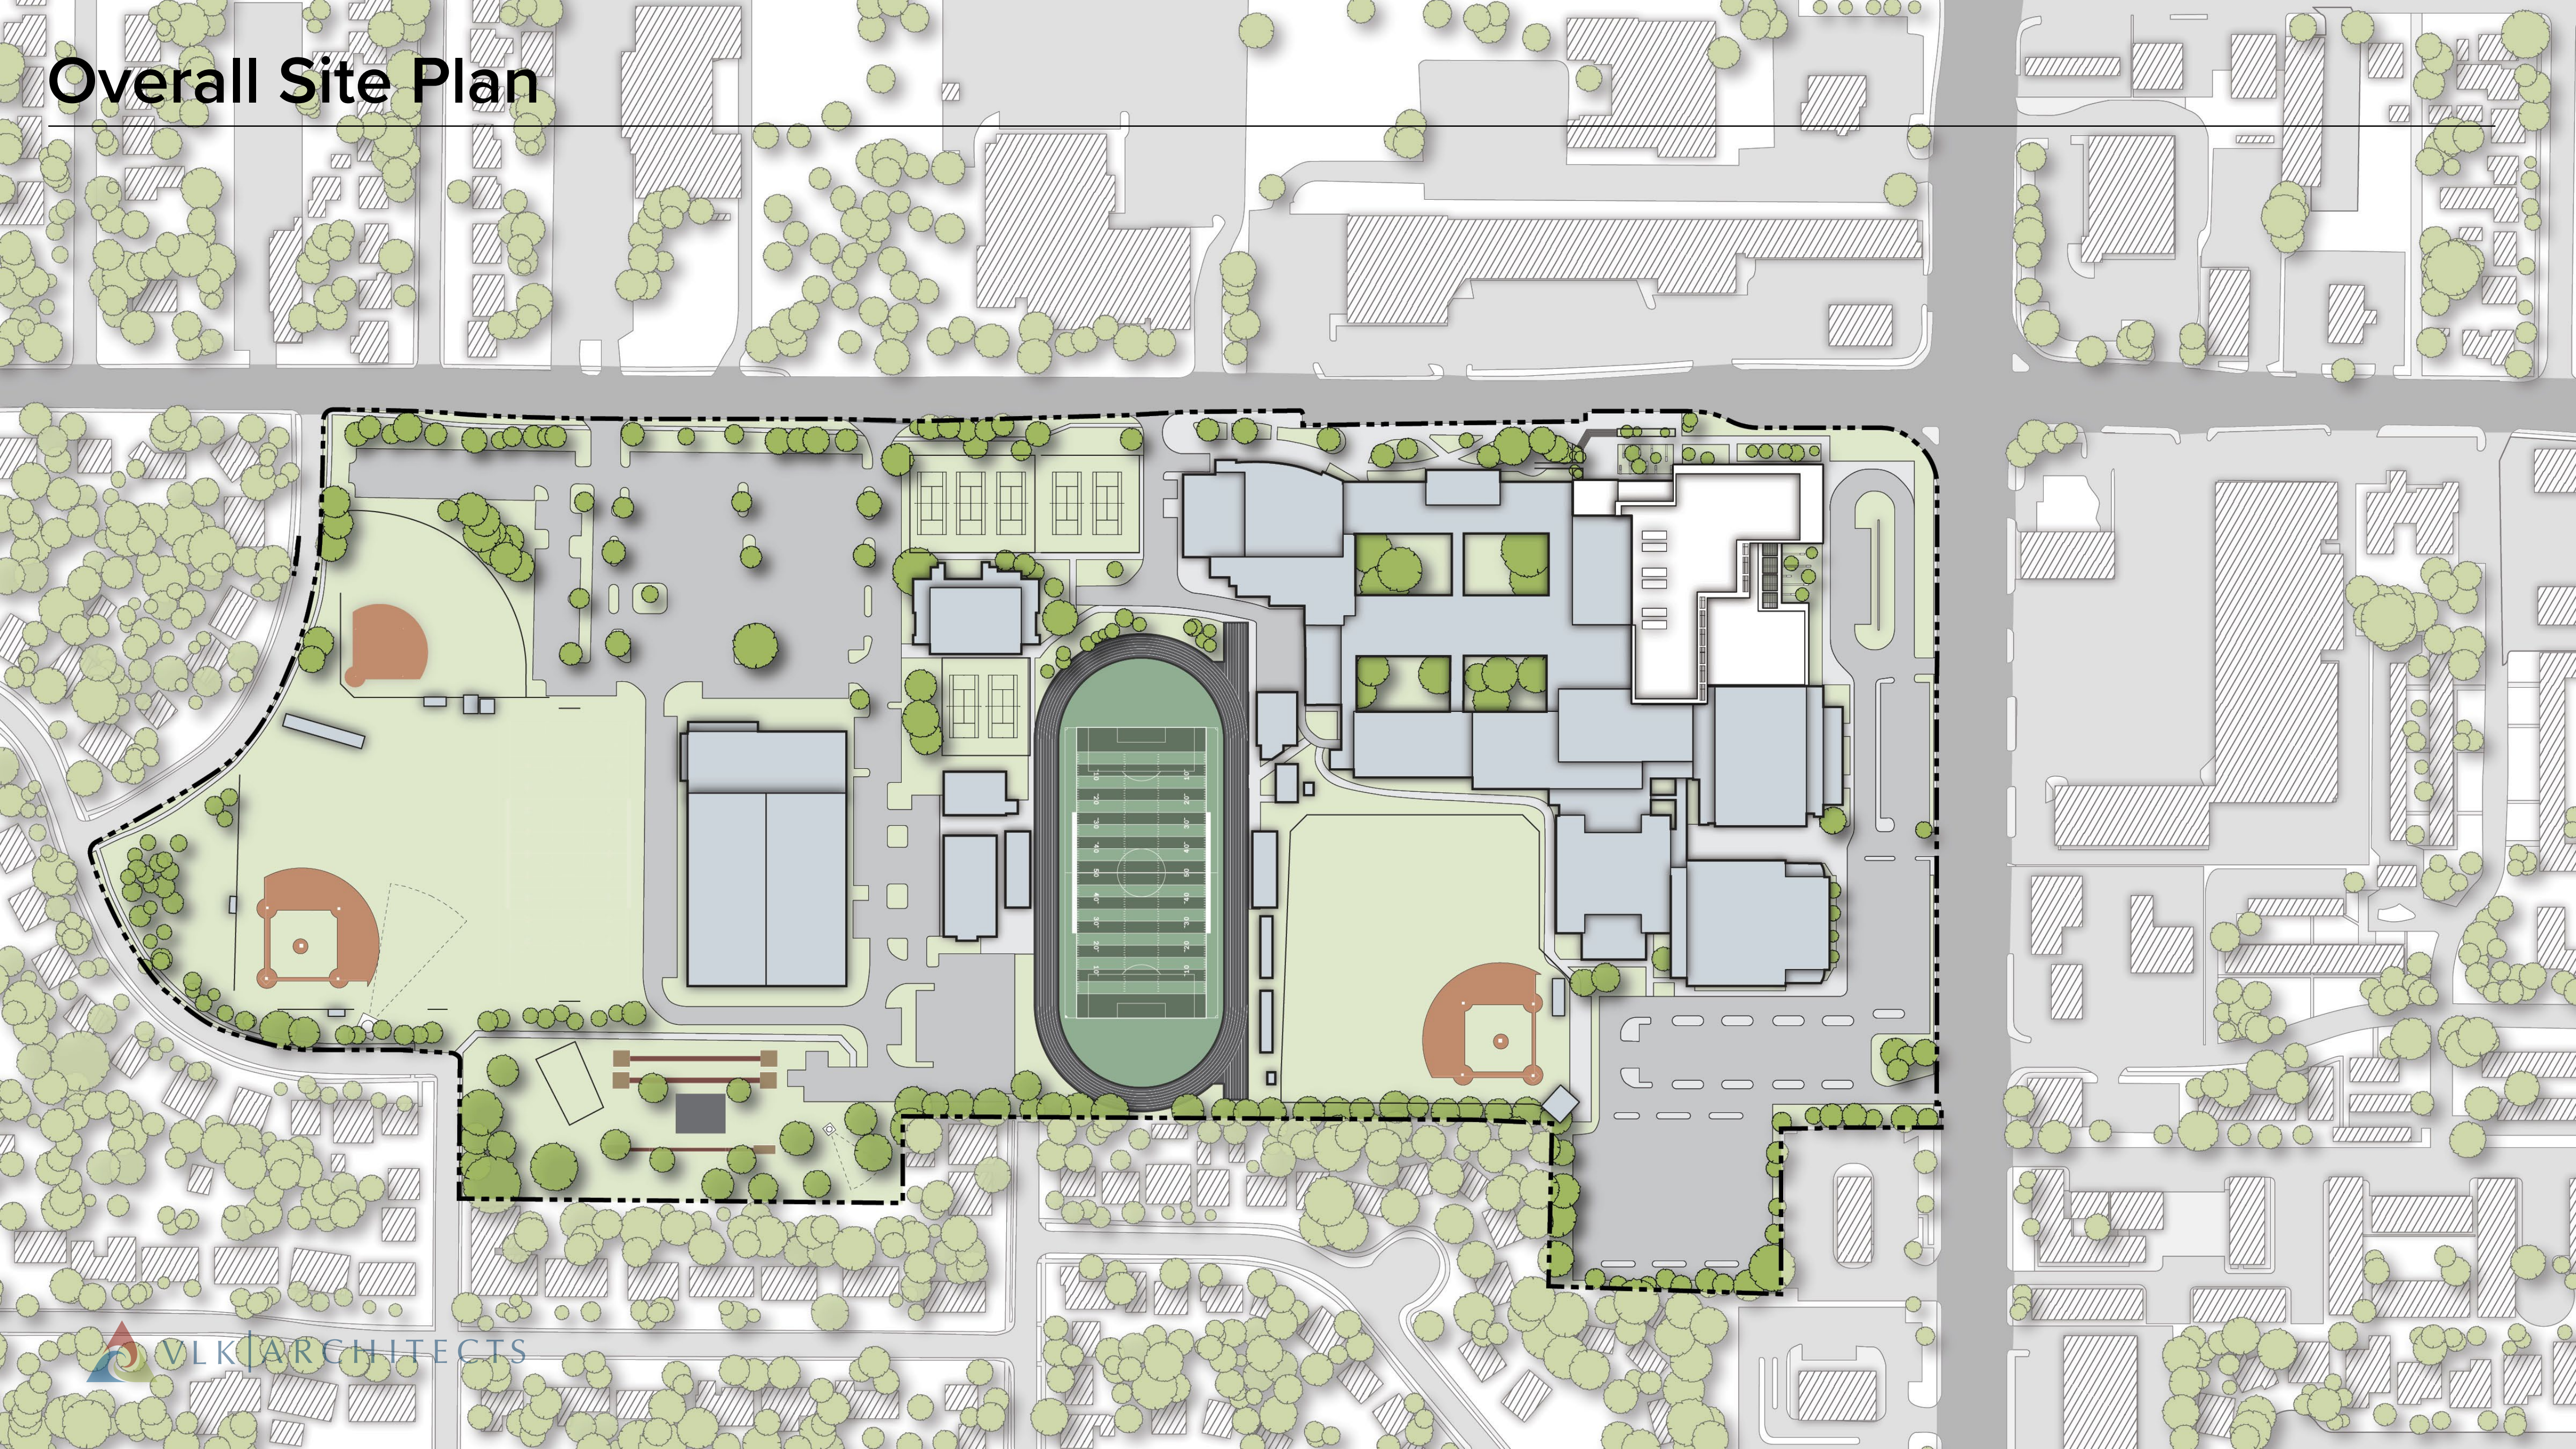

- Strong History of The Arts
- Technology Infused in New Spaces

Future Considerations

- Preparation for Future Modifications/ Additions

Overall Site Plan

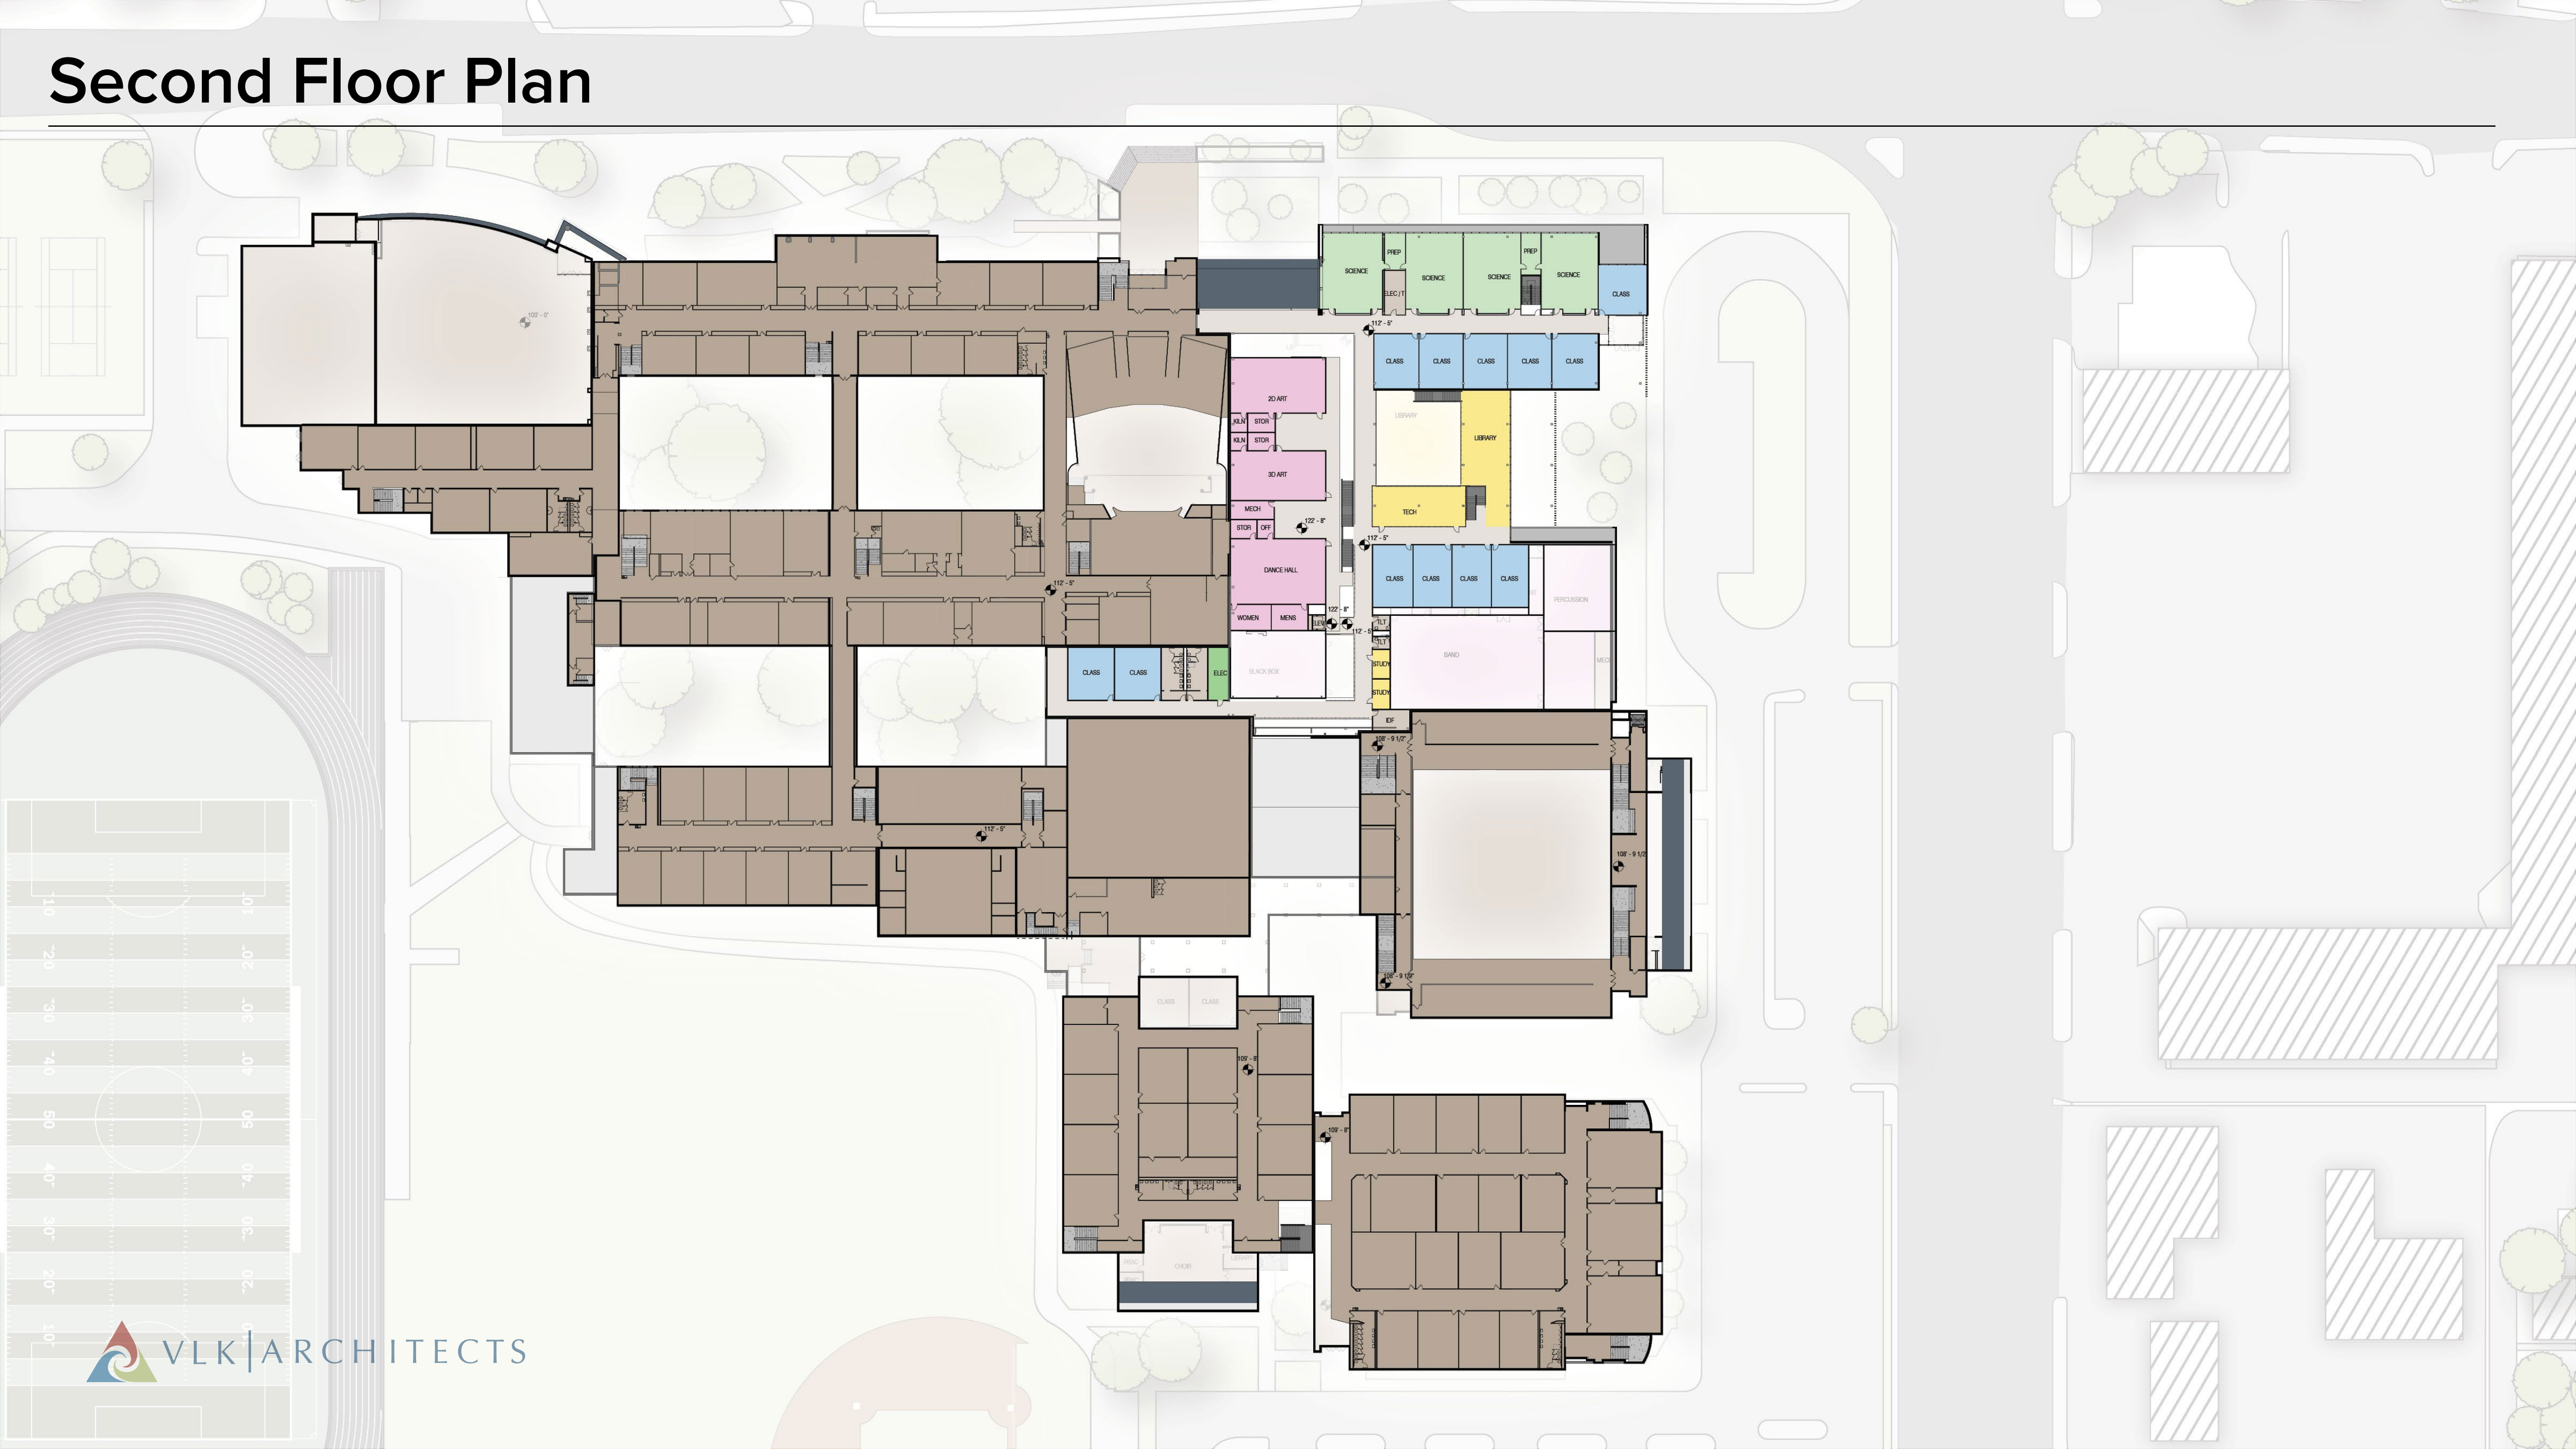

First Floor Plan

Second Floor Plan

This architectural floor plan illustrates the second floor of a school building. The layout is organized into several functional zones. On the left, a large, light-colored rectangular area is labeled '100'-0"'. To the right of this, a central corridor provides access to various rooms. The top right section contains science laboratories (labeled 'SCIENCE'), preparation rooms ('PREP'), and a classroom ('CLASS'). Below these are more classrooms ('CLASS') and a library ('LIBRARY'). The middle right section features a dance hall ('DANCE HALL'), a black box ('BLACK BOX'), and a band room ('BAND'). The bottom right section includes a choir room ('CHOIR') and several classrooms ('CLASS'). The plan also shows various storage areas ('STOR'), restrooms ('WOMEN', 'MENS'), and a percussion room ('PERCUSSION'). The building is surrounded by a parking lot with marked spaces and a road. The VLK ARCHITECTS logo is visible in the bottom left corner.
